ACACIA

The traditional "Roadside" Acacia raintree or monkey pod, is called Guanacaste from South America from where we import.

Idewood can offer to finish the slabs to ready-to-use table tops.

African Hardwoods

We have different species available in wide boards / long lengths. Mainly African mahogany types or OKAN like shown on this picture.

African Hardwoods

Here some more examples of meeting table in big live-edge slabs of African mahogany type solid wood.

DIY – Table tops

Table tops are easy to renovate by sanding the wood down, and re-oiling.

We always recommend oil rather than lacquer for table top finishes – Especially when used for kitchen tops.

We to Talk wood!™
